

## WHY PUBLISH IN THE *BULLETIN DE LA SPF ?*

You lend your support to a learned society that defends independent and pluralist research.

Your contribution will be strictly and benevolently peer-reviewed by French and international scholars.

You will be able to publish additional research on-line (databases, 3D models, videos...) with a specific DOI.

We will publish your paper within 6 months of submission in...

a multilingual journal  
(French, English,  
Spanish, German)...

and referenced  
in 9 international  
databases.

distributed to over  
350 institutions across  
France and abroad...

You will be supporting an officially recognised independent editor.
