Circular on the 62nd Annual Meeting
April 6th and 8th, 2021
at the invitation of the
Moravské zemské muzeum (Moravian Museum)

Dear members and friends of the Hugo Obermaier Society,
Dear colleagues!

The **annual meeting 2021** at the invitation of the Moravské zemské muzeum will be held **online**.

We hereby announce the call for papers. Contributions (presentation of max. 20 minutes and/or poster) can but do not have to be related to the meeting's focal topic

“Back to the Gravettian – Chronology and Regionalization “.

To adjust the traditional structure of the meeting to the altered circumstances, we slightly altered the outline of the conference. The first afternoon is dedicated to the presentation of last year's Research Grant awardee, the poster presentation and options for a virtual excursion as well as a virtual get-together via the interactive video chat platform Gather.Town. During the poster session, every author can virtually stand beside her/his poster while participants can virtually walk around, ask questions, and chat to each other. For optimal results, poster should be submitted as PNG-files. On the second and third day, we will have online live presentations in a plenary session and the evening lecture via the software Zoom.

Please send the **abstract of your presentation** (*MS-Word* format) until **February 15th, 2021** to info@obermaier-gesellschaft.de. We encourage you to include a figure (TIFF or JPEG) in your abstract. The conference booklet will be available as a PDF file.

Registration for the meeting can be made online at the society's new website www.obermaier-gesellschaft.de/tagungen.html. The **online registration opens on December 15th, 2020**. Since parts of the traditional program structure had to be cancelled, we offer a **reduced participation fee of 20,- € for non-members and 10,- € for members**. The SEPA bank details are IBAN DE36 6009 0100 0349 5270 08 and BIC VOBADDESS. This information is also shown after the online registration. Please transfer the **conference fees until March 1st, 2021**.

All participants are asked to register, since we will send the link for participating only to the registered participants. The 2nd circular with the conference programme and more detailed information will be sent some weeks before the conference. Further information on the society and the Annual Meeting can be found at our website: www.obermaier-gesellschaft.de.
